Case reviewed for criminal homicide charge. Donald Dennis died in the hospital following a mutual non-weapon fight with his friend and co-worker Jonathan Lurd. Through legal counsel Christian Bottoms, the family of Donald Dennis does not want this case to be presented to the grand jury. There does not appear to be the kind of evidence in this case that would warrant overruling Christian Bottoms' request in this matter, as both this office and the Portland Police Bureau believe the death of Donald Dennis is not the result of a criminal act under the circumstances of this particular case.
